

CONSULAT GÉNÉRAL DE FRANCE
À LONDRES

POWER OF ATTORNEY

Applicant's authorization for their passport's collection by a third party

The purpose of this power of attorney is to authorize a third party (called the agent) **to collect in my name and with my agreement the envelope containing my passport** from the service provider TLS, once my application has been processed by the consulate general of France in London.

A copy of the following power of attorney, duly completed, signed (by the principal and by the agent) and dated, **will be given by me to the agent**. TLS visa application center will inform me when the envelope is available. The presentation of this power of attorney will be required by TLS.

SPECIAL ATTENTION: **the passport presented by the agent when collecting the passport must be identical to that declared by the principal in this power of attorney**. In the event of doubt or non-compliance with the procedure, the external service provider TLS reserves the right not to deliver the envelope and will contact the applicant to inform them of this.
